FIELD ACTIVITY

Water Supply (Gerald Heston)

- Provision of alternate water to four homes continues, keeping water tanks filled.

Water Sampling (Gerald Heston)

- All requested home visits have been completed.
- All planned home well sampling has been completed

CONGRESSIONAL (Jennie Saxe)

- In preparation for the hearing tentatively scheduled for next week, we received a request from the House Oversight Committee for a user friendly version of the Dimock data summary. The request was for something that just lists the contaminants above the "safe thresholds" (their words). Material was sent to OCIR who will share with OSWER

Please let me know if you have questions.
